### THE NORTHLAND SELECTION CRITERIA:

#### Qualifying for Seniors:

1. Qualifying for the 2015 Northland senior women's representative team will be primarily based on scoring across designated stroke play events deemed trials. Stroke play cards from each designated trial event will be added and divided by the number of rounds played to establish the scoring average; i.e.  $(72+71+73)/3 = 72$  average.
2. Players will be ranked in order of their scoring average. Rankings will be posted online at [www.golfnorthland.co.nz](http://www.golfnorthland.co.nz)
3. Results will accumulate over the course of the year; there will be no re-set of the rankings between fixtures. The rankings following the most recent trial tournament will determine the Northland team selected for each of the representative matches throughout the year.
