Tee and Tee Times

It was decided that this year we will have multi tee starts so that matches finish at around that same time.

Where possible host clubs will assign matches off three tees all starting at 8.00am. We are expecting that this will mean that prize giving will happen earlier to a full club house.

At that moment we have yet to firm up a sponsor so will be reverting to the host using the \$5.00 per player from each team to supply the balls at prize giving. Hosts usually change extra for all day twos.
