

2013 Golf Northland Men's Championship Pennant Final

Saturday 20 July

Whangarei Golf Club hosted the final, where Bay of Islands Kerikeri players were seeking a fourth consecutive title in a row. They had progressed to the final with a win over Waitangi, and met Waipu who had secured their finals spot by defeating Whangarei in the semi-finals.

An even competition was predicted, and so it proved to be with all matches played in the true competitive spirit typical of the pennant events.

After the regular matches were concluded the scores were tied at 3 all, so the number one players proceeded to a sudden death playoff. Chances went both ways on the first two holes without result, but on the third Waipu sank the deciding birdie putt to secure the win.

Congratulations to all players for their sporting participation through the year, and particularly to the Waipu team for achieving the ultimate goal.
